# The second gathering and the seminar of the Reiwa 7th FY Japanese for Nursing care

2025

November 27, Thu

13:30 ~ 17:00 (The reception at 13:00)

For foreign employees working at nursing care facilities and foreign students aiming to become nursing care workers to deepen exchanges beyond the boundaries of their facilities.  
The gathering and the seminar will be held to learn tips for smooth communication in Japanese, which is required at nursing care facilities, as well as "Japanese for nursing care", "traffic rules", and "important points for daily life" that they should know when working at such facilities.

## 【 Program 】

\* Details are on  
the reverse side

- **Communication workshop**
- **[Lecture] Learning Japanese for nursing care**
- **<Interaction and Conversation> among Participants**

Application  
form

## The second gathering and the seminar by Chiba Foreign Careworkers Support Center

### 1 Communication workshop

Lecturer Hot Space Inage Pecorino

We will hold a simple workshop in Japanese to help participants get to know each other, including self-introductions.

### 2 Learning Japanese for nursing care

Lecturer Hot Space Inage Pecorino

We will explain Japanese that is often difficult to grasp, such as specialized terminology needed in the nursing care field and written expressions that differ from everyday spoken language, which cannot be fully learned through regular communication. Let's learn the essence of studying.

### 3 <Interaction and Conversation> among Participants

\* Snacks and drinks will be prepared.  
(There may be snacks from your country.)

Feel free to talk about your work at the facility and your daily life.

### 4 Traffic Safety Classes

Lecturer Chiba Chuo Police Station

To avoid getting into an accident, to avoid causing an accident, and to stay calm if an accident does occur, let's take a moment to review Japan's traffic rules, traffic manners and other important points to keep in mind in daily life.
